

Truly Enamoured Measurement Guidelines

To start the process, please ensure your clothes are tight fitted while taking your measurements and your hair is tied up. Tie a ribbon around your natural waist (smallest part of your body, usually around 1 inch above your belly button).

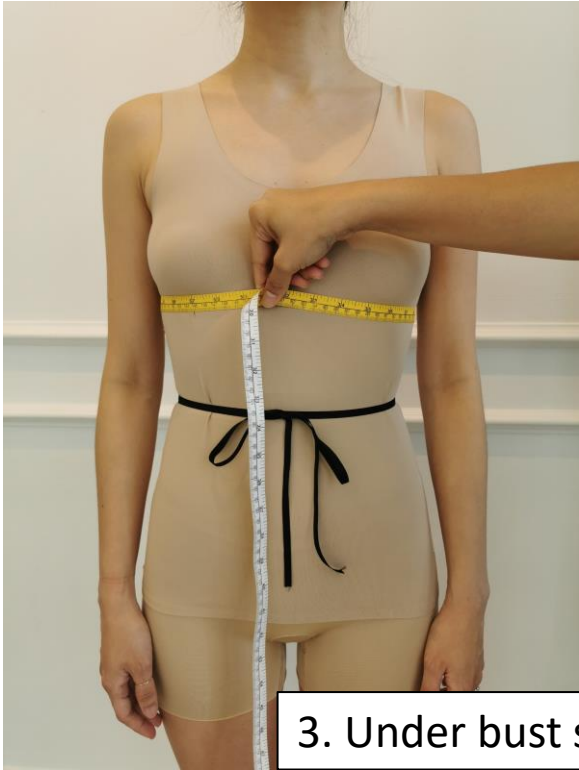

Measurements needed:

1. Over bust scope
2. Bust scope
3. Under bust scope
4. Front width (armpit to armpit)
5. Nipple to nipple (apex to apex)
6. Bust side to bust side width
7. Waist scope
8. 20cm Hip scope
9. Waist to floor
10. Waist to knee
11. Crotch (only for pants)

2. Bust scope (through nipple)

3. Under bust scope (through nipple)

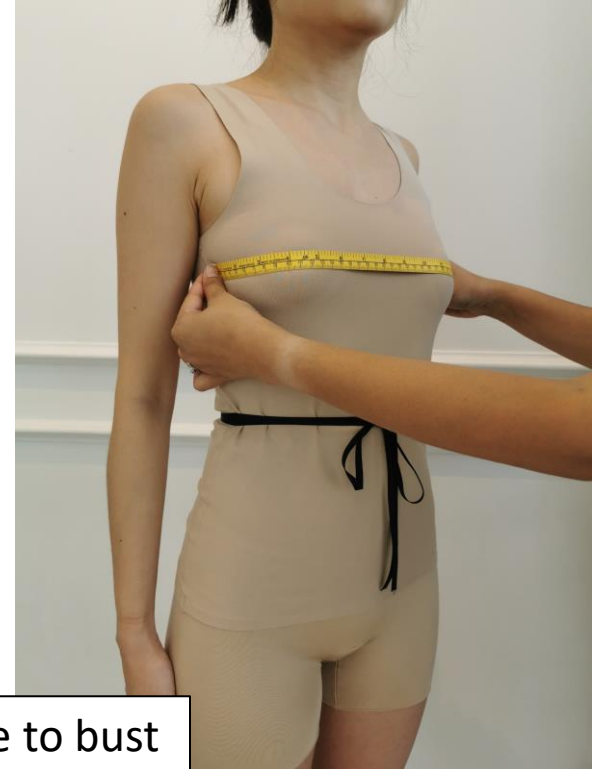

4. Front width
(armpit to armpit)

5. Nipple to nipple
(apex to apex)

6. Bust side to bust
side width

7. Waist scope

8. 20cm hip scope
(the circumference of
the widest part of the
hip)

9. Waist to floor

10. Waist to knee

11. Crotch
